

I finally received today the information needed to do the Alcohol Compliance Testing for PPJ's. You must pass this training to be able to work any PPJ's event at the GA Dome. Please know that we have 3 PPJ's events that we must supply folks to in August alone!!! Needless to say, this is very time sensitive and needs everyone's attention immediately. Even if you took this last year, YOU MUST BE RECERTIFIED THIS YEAR! I will send out a follow-up today on the schedule and the immediate need for sign-ups!!

Everyone who plans on working any time this season whether you are currently 16 or not should take the training. Here is what you need to do THIS WEEK!!! In order to be certified to work!

Last year it gave us the option to send emails to yourself and me. I am not finding that this option is available any longer and so it is critical that you follow the instructions below to make sure you will have no issues with getting access to the Dome.
